

COLOR YOUR WORLD

with Michigan Artist/Author
LORI TAYLOR

*A landscape is more than a pretty picture.
It tells the tale of all who make up that
scene--animals, plants, and the artist that
experiences that scene!*

Explore a wild scene and make an ART ZINE! Get up, get out, and get ready to get into nature with author/illustrator Lori Taylor !

- Kids will enjoy a short puppet program that inspires and preps kids on what how to use senses to scan the landscape shapes and color.
- Fold an accordion sketch book **ART ZINE** for their art and mark making.
- Kids will explore the library's natural area and use tempera paints and sticks with "wild brushes" to practice creative "plein air" (painting outdoors) techniques.

Limit 30 children, ages 4--10, 1 hour program
